

OVERVIEW

AWAKEN: REVIVAL BEGINS WHEN PRAYER COMES ALIVE

Revival Begins When Prayer Becomes Personal, Communal, and Actionable

AWAKEN is a 4-week, church-wide journey designed to reignite prayer, passion, and purpose in your congregation. It's more than a sermon series, it's a spiritual rhythm that touches every part of church life, helping people move from prayer in the sanctuary to prayer in the streets.

Each week focuses on a key stage of spiritual growth and a distinct prayer theme:

1. **Awaken the Heart:** Pray for compassion for the lost
2. **Awaken the Spirit:** Seek God's presence and intimacy
3. **Awaken the Fire:** Pray for renewal and holy passion
4. **Awaken the Mission:** Pray for calling, purpose, and service

Built around the **FRESH discipleship model**, AWAKEN engages the entire church through five ministry pathways:

- **Sermons** – unify the message each Sunday
- **Sunday Classes** – teach the practice of prayer.
- **Small Groups** – build reflection and community.
- **Prayer Partners** – foster accountability and spiritual growth.
- **Serve Experiences** – turn prayer into action through outreach and compassion.

Churches can use one or all five; each element stands alone but fits together as part of a larger movement of renewal.

AWAKEN was created for pastors who want to see genuine spiritual awakening, not just another program. It provides the framework; the Holy Spirit provides the fire.

When God Awakens His Church, He Awakens It For The World.
